400 Years ago plague was raging across Europe, killing hundreds of thousands. The villagers' prayer was answered and since then every ten years the village has performed the passion play.

In 2020 the villagers will perform the 42<sup>nd</sup> production of the Oberammergau Passion Play. This unique production involves over 2,000 performers, musicians and stage technicians, all residents of the village. The Passion of Christ is woven with living tableaux, scenes depicting Old Testament events which prefigured Jesus' life.

The pilgrimage will include visits to churches, abbeys, palaces, castles and art galleries in Munich, Bavaria and Innsbruck, as well as a visit to Dachau Nazi concentration camp.
