Welcome Message from the Dean

Dear Friends,

Welcome to the St John's Family Fun Night. You are in for a real treat with all the wonderful talents we are presenting tonight.

For the past 170 years, St John's Cathedral has been a home for people from all walks of life. It is a place of community, spiritual worship and personal growth. Our diversity and scope of ministries which serve the public makes us a remarkable family. Tonight performance demonstrates the cultural richness of our community. We strive to make this welcoming family manifesting the love of Christ.

As our city going through this challenging time, we are reminded that we are all part of the same community. By sharing, caring, appreciating, and loving one another, we manifest the glory of God.

I am grateful to all the performers, the organising committee, and the volunteers whose hard work have made this evening possible. Of course, each of your presence tonight makes it so memorable.

God bless you all and enjoy the evening.

Sincerely yours,
Dean Matthias +

Faith in the City: Stars at St John's

With God, all things are possible. (Matthew 19.26)

We have been working very hard to put this wonderful concert for your enjoyment. Without your kind support, we would not have achieved this.

With God's grace, we gather tonight with our warm, loving hearts sparkling like the shining stars; glowing in the clear blue sky.

Our heartfelt thanks go to our awesome family in Christ.
